## *Phase II 220 MHz Service Auction Closes*

### **WINNING BIDDERS IN THE AUCTION OF 908 PHASE II 220 MHZ SERVICE LICENSES**

*Down Payments Due November 6, 1998  
FCC Form 601s Due November 6, 1998*

*Ten-Day Petition to Deny Period*

**Report No. AUC-18-F (Auction No. 18)**

On October 22, 1998, the Federal Communications Commission completed the auction of 908 licenses for the Phase II 220 MHz Service, raising (in net high bids) a total of \$21,650,301 for the U.S. Treasury. Each of the 44 winning bidders that won a total of 693 licenses is listed in Attachment A.

This public notice provides detailed information concerning winning bidders, down payments, bid withdrawal payments or deposits, FCC Form 601 filing requirements, requests for rule waivers, and licensing matters. Key information appears in the following attachments:

- Attachment A:** Lists the winning bidders, the licenses won by each winning bidder, and both the gross and net high winning bid amounts.
- Attachment B:** Lists the down payments and any withdrawn bid payments owed by winning bidders.
- Attachment C:** Lists withdrawn bid payments owed by all bidders.

**PTF0384**

- Attachment D:** Provides detailed information about how winning bidders should complete their required FCC Form 601 for Phase II 220 MHz Service license applications.
- Attachment E:** Provides instructions for registering and filing the FCC Form 601 electronically.
- Attachment F:** Provides instructions for accessing the FCC Network using Windows 95/98.

A copy of this public notice will be mailed via overnight mail to each winning bidder.

**Phase II 220 MHz Service Re-Auction.** The Commission plans to conduct a re-auction of the remaining 215 Phase II 220 MHz Service licenses in the second quarter of 1999. The date of this auction and the terms, conditions, and procedures, will be announced by public notice.

**Down payments.** The Commission's rules require that within ten business days after the release of this public notice, in this case, by **6:00 p.m. ET on November 6, 1998**, winning bidders in the Phase II 220 MHz Service auction must have on deposit with Mellon Bank in Pittsburgh, Pennsylvania, enough funds to cover all required: (1) down payments on winning bids, and (2) payments for withdrawn bids. If a bidder's upfront payment is not sufficient to meet both of these requirements, the bidder must deposit additional funds. *See* 47 C.F.R. §§ 1.2107(b), 90.1011(b).<sup>1</sup>

The amount now due from each winning bidder, if any, is set out in the last column of Attachment B. *Note that only if a winning bidder's upfront payment covers the required total of down payments and withdrawn bid payments (as reflected in Attachment B) is no payment or FCC Form 159 necessary at this time.* Each winning bidder's down payment must be a total of twenty (20) percent of its net winning bid(s) plus any withdrawal payments.

**Final payments.** After the termination of the licensing pleading cycle (*see* 47 C.F.R. § 1.2108), the Commission will issue a public notice announcing that it is prepared to grant the licenses. Within ten business days after the date of that public notice, winning bidders will be required to make full payment of the balance of their winning bids. *See* 47 C.F.R. §§ 1.2109, 1.2107(b) and 90.1015. Licenses will be subsequently granted only after final payment is made.

**Method of payment.** All payments must be in U.S. dollars and made in the form of a wire transfer. No personal checks, credit card payments, or other forms of payment will be accepted. **All payments must be accompanied by a completed FCC Remittance Advice**

---

<sup>1</sup> In the event a bidder has withdrawn a bid(s) and is subject to a bid withdrawal payment(s), the bidder's upfront payment will be first applied to satisfy the withdrawal payment(s) before being applied toward its down payment.

**Form (FCC Form 159).<sup>2</sup>** A partially completed copy of the FCC Form 159 will be sent to each winning bidder within three (3) business days following release of this public notice to facilitate submission of the correct down payment. Winning bidders that have not received the partially completed FCC Form 159 by that date should contact Tim Dates at 202-418-1995. **However, winning bidders are ultimately responsible for the verification and submission of the correct down payment.**

**Wire transfer payments must be received by Mellon Bank by 6:00 p.m. ET, on November 6, 1998.** Bidders should coordinate with their bankers ahead of time regarding their wire transfers, and allow sufficient time for the wire transfer to be **initiated and completed prior to the deadline.** To submit funds by wire transfer, bidders will need the following information:

ABA Routing Number: 043000261  
 Receiving Bank: Mellon Pittsburgh  
 BNF: FCC/AC-9116106  
 OBI Field: (Skip one space between each information item)  
 "AUCTIONPAY"  
 TAXPAYER IDENTIFICATION NO. (same as FCC Form 159, Block 26)  
 PAYMENT TYPE CODE (same as FCC Form 159, Block 20A: "A22D")  
     FCC CODE 1 (same as FCC Form 159, Block 23A: "18")  
 PAYOR NAME (same as FCC Form 159, Block 2)  
 LOCKBOX NO. 358850

Bidders must fax a completed FCC Form 159 to Mellon Bank at 412-236-5702 at least one hour before placing the order for the wire transfer (but on the same business day).

Proper completion of the **FCC Form 159** is critical to ensuring correct credit of bidder deposits. **Bidders must use the same Taxpayer Identification Number used on their FCC Form 175.** Questions concerning the calculation and submission of down payments should be directed to Gail Glasser at 202-418-1995.

**Withdrawal, default and disqualification payments.** The Commission will impose payments on bidders that withdraw high bids during the course of an auction, or that default on payments due after an auction closes, or that are disqualified. A bidder that withdraws a high bid during the course of an auction is subject to a payment equal to the difference between the amount withdrawn and the amount of the subsequent winning bid. In the case of a license not selling in the same auction, the withdrawal payment is based on the selling price the next time the license is offered by the Commission. The bid withdrawal payment is either the difference between the net withdrawn bid and the subsequent net winning bid, or the difference between the gross withdrawn bid and the subsequent gross winning bid, whichever is less. No withdrawal

---

<sup>2</sup> Copies of the FCC Form 159 may be obtained by calling the Commission's Forms Distribution Center at 1-800-418-3676 (outside Washington, D.C.) or 202-418-3676 (in the Washington area). Copies of the FCC Form 159 can also be obtained via the Internet (<http://www.fcc.gov/formpage.html>) or by Fax-On-Demand (202-418-2830).

payment is assessed if the subsequent winning bid exceeds the withdrawn bid. This payment amount is deducted from any upfront payments or down payments that the withdrawing bidder has deposited with the Commission. *See* 47 C.F.R. 1.2104(g)(1). In those cases where the amount of the withdrawal payment cannot yet be determined because there was no winning bid, the withdrawing bidder is required to make a three (3) percent deposit on the net amount bid on the license(s). Implementation of Section 309(j) of the Communications Act -- Competitive Bidding, PP Docket No. 93-253, Fifth Report and Order, 9 FCC Rcd 5532, 5563 at n. 51 (1994); C.H. PCS, Inc., Order, 11 FCC Rcd 22430 (Wireless Tel. Bur., 1996) (requiring a three percent deposit for default payments). When it becomes possible to calculate and assess the payment, we will notify these bidders. As discussed above, a bidder's upfront payment will first be applied toward its withdrawn bid payment.

If a high bidder defaults or is disqualified after the close of the auction, the defaulting bidder will be subject to the same payment obligations as described above, plus an additional payment equal to three (3) percent of the subsequent winning bid. If the subsequent winning bid exceeds the defaulting bidder's bid amount, the three (3) percent payment is calculated based on the defaulting bidder's bid amount. If either bid amount is subject to a bidding credit, the three (3) percent credit will be calculated using the same bid amounts and basis (net or gross bids) as in the calculation of the payment for withdrawn bids prior to the close of the auction. *See* 47 C.F.R. 1.2104(g)(2).

If a winning bidder fails to remit the required down payment within ten (10) business days after the Commission has declared competitive bidding closed, the bidder will be deemed to have defaulted, its application will be dismissed, and it will be liable for a default payment as described above. In such event, the Commission, at its discretion, may either re-auction the license to existing or new applicants, or offer it to the other highest bidders (in descending order) at their final bids. *See* 47 C.F.R. 1.2109(b) and 90.1015(b).

If a winning bidder fails to pay the balance of its winning bids in a lump sum by the applicable deadline as specified by the Commission, it will be allowed to make payment within ten (10) business days after the payment deadline provided that it also pays a late fee equal to five (5) percent of the amount due. When a winning bidder fails to pay the balance of its winning bid plus late fee by the late payment deadline, it is considered to be in default on its license(s) and subject to the applicable default payments. Licenses will be awarded upon the full and timely payment of winning bids and any applicable late fees. *See* 47 C.F.R. § 1.2109(a). A winning bidder that is found unqualified to be a licensee, fails to remit the balance of its winning bid in a timely manner, or defaults, or is disqualified for any reason after having made the required down payment, will be deemed to have defaulted and will be liable for the payment set forth in § 1.2104(g)(2). In such event, the Commission may either re-auction the license to existing or new applicants or offer it to the other highest bidders (in descending order) at their final bids. *See* 47 C.F.R. § 1.2109(c).

Finally, bidders that are found to have violated the antitrust laws or the Commission's rules in connection with their participation in the competitive bidding process may be subject, in addition to any other applicable sanctions, to forfeiture of their upfront payment, down payment, or full bid amount, and may be prohibited from participating in future auctions. *See* 47 C.F.R.

1.2109(d).

Attachment B identifies winning bidders that owe withdrawal payments to the Commission. Attachment C lists withdrawal payments or deposits owed by all bidders.

**Refund of excess upfront payments (for winning bidders).** Upfront monies on deposit which are in excess of the required down payment, withdrawal and default payment amounts will be refunded to the payor of record promptly. Winning bidders must fax the necessary wire transfer instructions to Linwood Jenkins or Gail Glasser at 202-418-2843. Any questions concerning refunds should be referred to Linwood Jenkins or Gail Glasser at 202-418-1995.

**Refund of excess upfront payments (for non-winning bidders).** Non-winning bidders must fax the necessary wire transfer instructions to Linwood Jenkins or Gail Glasser at 202-418-2843. Any questions concerning refunds for non-winning bidders should be referred to Linwood Jenkins or Gail Glasser at 202-418-1995.

#### **FCC FORM 601**

By 5:30 p.m. ET on November 6, 1998, winning bidders must submit completed long-form license application(s) covering each license for which they were the winning high bidder. Applications may be filed either electronically or manually, though the Commission encourages electronic filing. Attachment D sets out instructions for completing the FCC Form 601. This form replaces FCC Form 600 in conjunction with our development of the new universal licensing system for filing and processing of applications in wireless services.

**Electronic filing.** Detailed instructions for registering and filing the Form 601 electronically are set out in Attachment E.

**Manual filing.** Manual filers must complete the FCC Form 601 Main Form and Schedule B and attach any exhibits. Manual filers are requested to submit a "clean" (*i.e.*, without lines, markings, footnotes, tables, charts, etc.) original application which does not contain any information in spreadsheet format. Manual filers must mail or deliver the original application to:

FCC Form 601 Filing, Auction No. 18  
Federal Communications Commission  
Wireless Telecommunications Bureau  
Information Technology Division  
1270 Fairfield Road  
Gettysburg, Pennsylvania 17325-7245

Copies of FCC Form 601 can be obtained by calling the Commission's Forms Distribution Center at 1-800-418-3676 (outside Washington, D.C.) or 202-418-3676 (in the Washington area). Copies of FCC Form 601 can also be obtained via the Internet (<http://www.fcc.gov/formpage.html>) or by Fax-On-Demand (202-418-2830).

All manually filed FCC Form 601s shall be submitted on one original paper copy. Additionally, all Attachments to manually filed applications shall be filed on a standard 3.5" magnetic diskette formatted to be readable by high density floppy drives operating under MS-DOS (version 3.X or later compatible versions). Each diskette submitted must contain an ASCII text file listing each filename and a brief description of the contents of each file and format for each document on the diskette. The files on the diskette, other than the table of contents, should be in Adobe Acrobat Portable Document Format (PDF) whenever possible. All diskettes submitted must be legibly labelled, referencing the application and its filing date. Manual filers should review each exhibit file to ensure that the information contained in the exhibit is complete.

**Failure to timely file FCC Form 601 or sign a manually-filed FCC Form 601 will result in dismissal of the application. Only original signatures will be accepted for manually-filed applications.**

**Multiple filings.** If an applicant submits more than one FCC Form 601, once manually and once electronically, the electronic filing will be considered by the Commission and the manual filing will be discarded as a duplicate filing. This policy will apply regardless of which filing is received first at the Commission. In the event an applicant submits the same filing twice and would like the manual filing to be considered, the applicant must withdraw the electronic filing.

**Applications for multiple licenses.** Electronic or manual filers applying for multiple licenses are not required to submit a separate Form 601 application for each market if all filing requirements associated with the application (name and address information, all ownership and eligibility attachments, and waiver requests) are identical **except** for the market designator, channel block and market name. Under these circumstances, applicants may submit *one* FCC Form 601 Main Form and Schedule B.

Electronic or manual filers whose name and address, ownership, eligibility, and waiver requests are identical for some licenses but different for others may utilize this streamlined filing procedure only for those licenses that have identical filing information. For those licenses with unique information, a separate application must be submitted.

**Application processing and license grant.** Pursuant to 47 C.F.R. § 1.2108(b) and the Balanced Budget Act of 1997, Pub. L. 105-33, 111 Stat. 251 (1997), interested parties will have **ten (10) days** after the Commission gives public notice that the FCC Form 601s are acceptable for filing to file petitions to deny. An applicant may file an opposition to any petition to deny **within five (5) days** from the filing date of the petition to deny. 47 C.F.R. § 1.2108(c). The petitioner may file a reply to such opposition **within five (5) days** from the filing date of the opposition. 47 C.F.R. § 1.2108(c) If the Commission determines that an applicant is qualified and there is no substantial and material issue of fact concerning that determination, it will grant the application.

**Anti-collusion rules.** To ensure the integrity of its auctions, the Commission's anti-collusion rules generally prohibit applicants for the same geographic license area from discussing bids or bidding strategies during the course of the auction. The prohibition begins when short-

form applications to participate in the auction are filed; it ends when the winning bidders submit their down payments. In the 220 MHz Service auction, for example, the rule would apply to an applicant bidding for an EAG and an applicant bidding for an EA within that EAG. Applicants that apply to bid for "all markets" or a nationwide license would be precluded from communicating with all other applicants. An exception is where applicants enter into a bidding agreement before filing their short-form applications, and disclose the existence of the agreement in their short-form applications. *See* 47 C.F.R § 1.2105(c).

**Post-Auction Forum.** The Wireless Telecommunications Bureau will sponsor a joint post-auction forum for bidders that participated in the Phase II 220 MHz Service auction, as well as bidders in the upcoming VHF Public Coast Service and Location and Monitoring Service auctions. This forum, which will be announced by a subsequent public notice, will be held after the completion of the VHF Public Coast auction and the Location Monitoring Service auction. The purpose of this forum is to receive feedback from bidders on the auctions process and their experience. In addition, bidders are encouraged to use this forum to present specific recommendations for improving the operational components of the auctions process. Among the general topics to be discussed are information dissemination, application processing and payment, and the overall conduct of the auction. Key FCC staff will be available to answer questions.

In completing the FCC Form 601 either electronically or manually, applicants are strongly encouraged to use the format below in submitting the information required by our rules as exhibits. Following this format will help expedite the processing of the FCC Form 601 and minimize the need for requesting missing information.

Applicants bear full responsibility for submission of timely and complete FCC Form 601 applications. Applicants should read the instructions on the FCC Form 601 carefully and should consult the rules to ensure that, aside from the materials described below, all the information that is required under our rules is included with their FCC Form 601 applications. **Incomplete or defective applications may be returned to the applicant.** See 47 C.F.R. § 90.161(b)(6). Each applicant is responsible for the continuing accuracy and completeness of information furnished in a pending application. See 47 C.F.R. § 1.65.

An applicant that fails to submit the required FCC Form 601 application by **5:30 p.m. ET on November 6, 1998**, and fails to establish good cause for any late-filed submissions, shall be deemed to have defaulted and will be subject to the default payments set forth in 47 C.F.R. §§ 1.2104, 90.1007. See § 1.2107(c), 47 C.F.R. 1.2107(c).<sup>1</sup>

#### *Number of Forms To Be Filed*

Under these circumstances, applicants may submit *one* FCC Form 601 Main Form and Schedule B.

#### *Frivolous Pleadings*

Pursuant to 47 C.F.R. § 1.52, the Commission reminds parties to our proceedings and their attorneys that the Commission intends to fully use its authority to discourage and deter the filing of frivolous pleadings. See *Public Notice*, "Commission Taking Tough Measures Against Frivolous Pleadings," 11 FCC Rcd. 3030 (1996).

**I. Applicant Identity and Ownership Information*****Background***

Sections 90.123 and 1.2112 of the Commission's rules requires each applicant to make full and complete disclosure with regard to the real party or parties in interest and as to all matters required to be disclosed by the application form.

Applicants should attach the information concerning the identity of the applicant (*i.e.*, real party- or parties-in-interest) and ownership interests held in the applicant and in investors in the applicant. Each application shall be clear and complete in itself without cross reference to information previously filed. Please clearly label additional pages to indicate the Exhibit and Item number to which those pages relate.

## **EXHIBIT A: OWNERSHIP**

### **Part 1: Direct Ownership**

First, attach and label as "**Exhibit A: Ownership**" a document or series of documents that identifies all persons or entities that *directly* hold a ten percent or more interest in the applicant. For each ten percent interest holder listed, applicants should provide the following information:

*Item (1) Name and address:* Identify the name and address of the interest holder. If the interest holder is an individual, provide the name and address of that person, and indicate whether the interest holder is a partner, officer, director, or key manager (*e.g.*, CEO, General Manager) of the applicant. If the interest holder is a corporation, provide the name and address of the corporate office and the name and title of an officer, director or authorized contact. If the interest holder is a partnership, provide the name and address of all partners, and the name, title and address of an authorized contact for the partnership. If the interest holder is a limited liability corporation, provide the name and address of each of its members.

*Item (2) Principal Business:* Describe the interest holder's principal business and its relationship to the applicant.

*Item (3) Relationship to Other Interest Holder:* Indicate whether the interest holder is related to any other ten percent or greater interest holder by blood or marriage, and provide the name of the related interest holder.

*Item (4) Amount Held:* Specify the amount held (*e.g.*, number of shares of stock and percentage of total ownership) for each type of interest specified.

*Item (5) Type of Interest Held:* Indicate whether the interest held is in the form of stocks, bonds, warrants, debt instruments, partnership, etc. If interests are held in stock, specify the class of stock and any voting rights associated with the stock. If the interests are held in a partnership, indicate whether the interests are limited or general partnership interests.

*Item (6) Interests Held on Behalf of Others:* If an interest is held in trust, or on behalf of another person or entity, identify the party for whom the interest is held.

### **Part 2: Indirect Ownership**

Second, as part of "Exhibit A: Ownership" attach and label a document or series of documents that identifies all persons or entities that **indirectly** hold a ten percent or more interest in the applicant. For each person or entity listed, provide the same information listed in *Items (1)-(6)* above as is requested for *direct* interests.

### **Part 3: Other Disclosable Interest and Entities**

Third, as part of "Exhibit A: Ownership" attach and label a document or series of documents that identifies all persons or entities required to be disclosed pursuant to 47 C.F.R. § 1.2112(a)(1) and (3). For each FCC-regulated business, include a description of their principal business and their relationship to applicant.

To comply with 47 C.F.R. § 1.2112(a)(5), an applicant must list the names, addresses, and citizenship of all persons or entities meeting the definition of "affiliate" as defined in 47 C.F.R. § 90.1021(d). To the extent that such entities are not included in Parts 1 and 2 of Exhibit A, they should be identified and included in Part 3.

**Electronic filers** should select Attachment Type 'Ownership' and enter "Exhibit A: Ownership" in the File Description field on the Attachment screen.

### **EXHIBIT B: FOREIGN OWNERSHIP**

If the applicant has responded "yes" to either Question 41, 42, 43, 44 or 45 on the FCC Form 601, attach and label as "**Exhibit B: Foreign Ownership**" a document that explains the circumstances regarding foreign ownership in the applicant. For every direct or indirect foreign owner, applicants should provide the following information:

*Item (1) Percentage of Interest:* Identify each foreign owner's percentage of ownership in the applicant.

*Item (2) Country of Origin and Address:* List each foreign owner's country of origin and principal place of business.

*Item (3) Public Interest Statement:* Demonstrate how allowing the applicant to hold the requested license is consistent with the Commission's policies pursuant to section 310(b)(4) of the Communications Act of 1934. In general, the Commission has indicated that there is a strong presumption that indirect foreign ownership of common carrier radio licensees by entities whose home markets are in countries that are members of the World Trade Organization (WTO) serves the public interest. If more than twenty-five percent of the ownership of an entity that controls a common carrier radio licensee is attributable to parties whose home markets are in non-WTO member countries, the Commission will evaluate whether those markets offer effective competitive opportunities to U.S. investors in the same service sector. See Rules and Policies on

Foreign Participation in the U.S. Telecommunications Market, IB Docket No. 97-142, Report and Order and Order on Reconsideration, 12 FCC Rcd. 23,891, 23,935-42, 23,946, ¶¶ 97-118, 131 (1997).

Note: There is no need to include an Exhibit B stating that the applicant responded "no" to Questions 41 through 45.

**Electronic filers** should select Attachment Type 'Ownership' and enter "Exhibit B: Foreign Ownership" in the File Description field on the Attachment screen.

#### **EXHIBIT C: DESIGNATED ENTITIES**

Pursuant to 47 C.F.R. § 90.1017, small businesses and very small businesses are eligible for bidding credits of twenty-five percent and thirty-five percent respectively, to lower the cost of their winning bids. Small businesses and very small businesses are defined in 47 C.F.R. § 90.1021(b). Applicants that are not claiming eligibility for bidding credits do not need to submit Exhibit C. We nonetheless note that we are interested in the status of applicants as minority-owned or women-owned businesses for statistical purposes.

If applying for a bidding credit, attach and label as "**Exhibit C: Designated Entities**" a document or series of documents that identifies, separately and in the aggregate for the applicant and each affiliate, the gross revenues for the most recently completed three calendar or fiscal years preceding the filing of the applicant's FCC Form 175 based on audited financial statements. If the applicant does not have audited financial statements to document the gross revenues figures provided, it must provide a certification from its chief financial officer that the gross revenue figures indicated in its FCC Forms 175 and 601 applications are true, full, and accurate, and that the applicant does not have the audited financial statements that are otherwise required under our rules. See 47 C.F.R. § 90.1021(c). Identify the applicant's claimed eligibility status and provide the requisite information demonstrating such status as indicated in the following instructions:

##### **Small Businesses**

Applicants claiming status as a small business must compute gross revenues in accordance with 47 C.F.R. § 90.1021 to demonstrate such status under our rules. A small business is an entity that, together with its affiliates and controlling principals, has average annual gross revenues that are not more than **\$15 million** for the preceding three years. Gross revenues for each year for the applicant and each of its affiliates and controlling principals (and, if a consortium of small businesses, the members of the joint venture) should be separately identified and followed by the computed average total gross revenues for each over those years and the combined average gross revenues of the applicant, its affiliates and controlling principals over those years. For purposes of determining whether an entity meets the definition, the gross revenues of the entity, its affiliates, and controlling principals shall be considered on a cumulative basis and aggregated. 47 C.F.R. § 90.1021(b)(3). The status of the applicant as a minority-owned or women-owned

business also is requested, but for statistical purposes only.

### Very Small Businesses

Applicants claiming status as a very small business must compute gross revenues in accordance with 47 C.F.R. § 90.1021 to demonstrate such status under our rules. A very small business is an entity that, together with its affiliates and controlling principals, has average gross revenues that are not more than **\$3 million** for the preceding three years. Gross revenues for each year for the applicant and each of its affiliates and controlling principals (and, if a consortium of very small businesses, the members of the joint venture) should be separately identified and followed by the computed average total gross revenues for each over those years and the combined average gross revenues of the applicant, its affiliates and controlling interests over those years. For purposes of determining whether an entity meets the definition, the gross revenues of the entity, its affiliates, and controlling principals shall be considered on a cumulative basis and aggregated. 47 C.F.R. § 90.1021(b)(3). The status of the applicant as a minority-owned or women-owned business also is requested, but for statistical purposes only.

### Small Business & Very Small Business Consortia

Applicants that applied as a **small business consortia** or **very small business consortia** as defined in 47 C.F.R. § 90.1021(b)(4) must compute and indicate gross revenues as outlined above for **each** small or very small business in the consortium. That is, each business entity comprising the small or very small business consortia must qualify and show gross revenues separately. The gross revenues of each small or very small business shall not be aggregated. *See* 47 C.F.R. § 90.1021(b)(4).

**Electronic filers** should select Attachment Type 'Ownership' and enter "Exhibit C: Designated Entities" in the File Description field on the Attachment screen.

## **II. Information Not Related to Identity or Ownership**

The following exhibits provide places for the applicant to give the Commission information not related to the disclosure of the identity of the real party or parties in interest submitting an application or applications.

### **EXHIBIT D: AGREEMENTS & OTHER INSTRUMENTS**

Applicants should attach and label as "**Exhibit D: Agreements and Other Instruments**" a detailed explanation of the terms and conditions and parties involved in any bidding consortia, joint ventures, partnerships or other agreements or arrangements into which the applicant has entered relating to the competitive bidding process prior to the time the bidding was completed. *See* 47 C.F.R. 1.2107(d). Applicants qualifying as a small business or very small business must list and summarize all agreements and other instruments (with appropriate references to specific

provisions in the text of such agreements and instruments) that support the applicant's eligibility as a small business or very small business under Sections 90.1017 through 90.1023 of the Commission's rules, including the establishment of *de facto* and *de jure* control. 47 C.F.R. § 90.1023(b)(2). Such agreements and instruments include, but are not limited to, articles of incorporation and bylaws, shareholder agreements, voting or other trust agreements, franchise agreements, and any other relevant agreements including letters of intent, oral or written. These applicants must also list and summarize any investor protection agreements, including rights of first refusal, supermajority clauses, options veto rights, and rights to hire and fire employees and to appoint members to boards of directors or management committees. 47 C.F.R. § 90.1023(b)(3). *See also* 47 C.F.R. § 1.2112(b).

Finally, designated entities must describe on their long-form applications how they satisfy the requirements for eligibility for designated entity status, and must list and summarize all agreements that affect designated entity status, such as partnership agreements, shareholder agreements, management agreements, and other agreements, including oral agreements, which establish that the designated entity will have both *de facto* and *de jure* control of the entity. Such information must be maintained at the licensee's facilities or by their designated agents for the term of the license in order to enable the Commission to audit designated entity eligibility on an ongoing basis. *See* 47 C.F.R. 1.2112(i).

To comply with these requirements, applicants may either submit the agreements themselves or submit a detailed description of those agreements with proprietary information excluded. If applicants choose to submit the agreements, they can redact proprietary information or can seek confidentiality for those documents pursuant to Section 0.459 of the Commission's rules, 47 C.F.R. § 0.459 (*see* discussion of confidentiality requests under "**Confidentiality Requests**" below).

**Electronic filers** should select Attachment Type 'Other' and enter "Exhibit D: Agreements & Other Instruments" in the File Description field on the Attachment screen.

#### **EXHIBIT E: CONFIDENTIALITY REQUESTS**

Applicants should be aware that all information required by the Commission's rules in connection with applications to participate in spectrum auctions is necessary to determine the applicants' qualifications and, as such, will be available for public inspection. Required proprietary information may be redacted, and confidentiality may be sought pursuant to 47 C.F.R. § 0.459. Applicants requesting confidential treatment for any information required as a condition to participate in the auction must follow the procedures set out in 47 C.F.R. § 0.459.

If an applicant has sought confidential treatment of any information, it should attach and label as "**Exhibit E: Confidentiality Requests**" a statement which references the request; otherwise Exhibit E should be omitted. Because the required information bears on an applicant's qualifications, the Commission envisions that confidentiality requests will not be routinely granted.

An applicant's request for confidentiality must include a demonstration that it would suffer substantial competitive harm from the public disclosure of the information in question.

Note: There is no need to include an Exhibit E stating there is no confidentiality request.

Electronic filers should select Attachment Type 'Confidentiality' and enter "Exhibit E: Confidentiality Requests" in the File Description field on the Attachment screen.

***Important:***

All attachments will be available for public inspection unless the applicant has requested confidential treatment for each applicable attachment. Manual filers must clearly label each separate attachment for which they request confidential treatment in addition to providing Exhibit E. Electronic filers must select Attachment Type 'Confidentiality' for each attachment for which they request confidential treatment in addition to providing Exhibit E.

**EXHIBIT F: WAIVER REQUESTS**

In the event a winning bidder wishes to file a request for waiver, all such requests should be filed with the corresponding application as "Exhibit F: Waiver Requests." Waiver requests filed after the submission of the FCC Form 601 may result in a delay of the processing of the application. If a request for waiver is filed separately from the FCC Form 601, such request must reference the corresponding application.

Note: There is no need to include an Exhibit F stating there are no waiver requests.

Electronic filers should select Attachment Type 'Waiver' and enter "Exhibit F: Waiver Requests" in the File Description field on the Attachment screen.

### INSTRUCTIONS FOR USING ULS TO REGISTER TIN AND CALL SIGNS WITH FCC AND FILE FCC FORM 601 ELECTRONICALLY

Following are instructions for using the Universal Licensing System (ULS) to electronically register a Taxpayer Identification Number (TIN) and call signs with the FCC and electronically file FCC Form 601. To perform either of these procedures, you must first connect to the FCC Network as follows:

- c Attachment F describes how Windows 95/98 users can connect to the FCC Network using the Dial-Up Networking features of Windows 95/98.

You also need Netscape Communicator 4.06 or 4.05 with JDK 1.1 (Internet web browser software) to use ULS to electronically register and file FCC Form 601.

*Note:* To download Netscape Communicator 4.06 (recommended) free of charge, access the Netscape download site at <http://home.netscape.com/download/>.

### Conventions

The instructions in this attachment use the following typographical conventions:

- bold** Represents objects on the screen that you click with the mouse pointer, including buttons, Internet links, icons, tabs, menu items (e.g., **Cancel** button, **Auctions** link, **Save** option in the File menu).
- italic* Represents field names or areas of a screen (e.g., *Licensee Name* field, *Applicant Information* area of a screen).
- bold italic*** Represents characters that you must type exactly as they appear in the instructions. For example, if you are instructed to type ***http://www.fcc.gov***, you should type all of the characters shown in bold italic exactly as they are printed.
- SMALL CAPS** Represents keys on the keyboard (e.g., **ENTER**, **CTRL**, **ESC**).

### Registering TIN and Call Signs with the FCC Electronically

Before filing FCC Form 601 electronically, the applicant's Taxpayer Identification Number (TIN) and call signs must be registered with the FCC's Universal Licensing System (ULS). If you have already registered your TIN and call signs with the ULS, proceed to the "Filing FCC Form 601 Electronically" instructions.

To register a TIN and its associated call signs, do the following:

1. Connect to the FCC Network using one of the following options:

*Note: If your PC is connected to a network, you must use a secure proxy to access the FCC Network. Consult your Network Administrator.*

#### Dial-Up Access

- a. Use Dial-Up Networking in Windows 95/98 to connect to the FCC Network (see Attachment F).
- b. Start your web browser. In the location field of the web browser screen, type *http://wtbwww05.fcc.gov*. Then press the ENTER key.

#### Internet Access

- a. Start your web browser and connect to the Internet using your Internet Service Provider.
  - b. In the location field of the web browser screen, type *http://www.fcc.gov/wtb/uls*. Then press the ENTER key.
2. Verify that Java and JavaScript are enabled in your web browser preferences. Additionally, the preferences must specify "Accept all cookies." Refer to your web browser Help facility for more information.
  3. Once you have accessed the Universal Licensing System home page, click the **ULS Call Sign Registration** button.
  4. On the ULS TIN/Call Sign Registration screen, click **Register Now** to select it, then click the **Continue** button.

5. On the next screen, identify whether you are registering as a business entity (e.g., corporation, partnership, government entity, etc.) or an individual. Click the desired option to select it, then click the **Continue** button to access the registration form.

***Note:** The TIN provided must be that of the licensee and not of an agent or representative of the licensee (e.g., law firm or consultant).*

6. Complete the registration form. Click the **Help** button at anytime for additional information on completing the online registration form.
7. Specify the password and personal or corporate identifier that you will use in conjunction with your TIN. In the *New Password* field, enter a password of at least 5 characters.

Basic guidelines for selecting your password:

- C Specify a password that you will be able to remember easily. For security purposes, avoid selecting an obvious password that someone else could easily guess, such as spouse's name, child's name, etc.
  - C Your password must be at least 5 characters but no more than 30 characters.
  - C You may use letters, numbers, or symbols in your password.
  - C Write down your password and keep it in a secure place.
  - C Note that your password is case sensitive. For example, if you specify "station" (lowercase) as your password, you must always enter "station" in lowercase during ULS login. "Station" or "STATION" will not be accepted.
8. Re-enter your password in the *Verify Password* field. This entry must be an exact replication of the password entered in the *New Password* field.
  9. In the *Personal Identifier* or *Corporate Identifier* field, enter a word (of your choice) to serve as your personal identifier (if individual) or corporate identifier (if business entity).
- Note:** For security purposes, you will be required to correctly enter your TIN and password prior to accessing the ULS for filing applications online or updating your registration information. *If you forget your password, contact FCC Technical Support at (202) 414-1250 (voice) or (202) 414-1255 (TTY).*
10. When you have completed the registration form, click the **Submit** button.

If you have entered any incomplete or erroneous information, an Errors screen lists the errors. Click **Return**, make your corrections, then click **Submit** again. Note that an application cannot be submitted until all errors have been corrected.

11. A screen appears requesting you to identify the call signs (if any) to be associated with your TIN. Even though you already have FCC licenses, you must identify to the ULS the call signs that are to be associated with your TIN.

If you do not have any call signs to register, click the **Submit** button and proceed to step 14.

12. Follow the instructions on the screen to select a call sign entry method. Note: You must use the **Upload Call Signs** option if you have *more than 100 call signs*.

*Click the **Help** button for additional call sign entry instructions.*

13. After entering your call signs, click the **Submit** button.
14. When your registration has been successfully submitted to the FCC, a confirmation message screen appears. This screen shows the TIN, password, and personal or corporate identifier that you just registered.

**Important:** Your registration has not been successfully submitted to the ULS unless this confirmation screen appears.

15. From the confirmation screen, click the **Home** button to return to the ULS home page.

*Note: If the applicant is owned by a Real Party in Interest, the TIN of that entity must also have been registered with the FCC.*

#### Filing FCC Form 601 Electronically

After the applicant's TIN is registered with the FCC, the FCC Form 601 can be filed electronically. Do the following:

1. Connect to the FCC Network using Dial-Up Networking in Windows 95/98 (see Attachment F).
2. Start your web browser. In the location field of the web browser screen, type ***http://wtbwww05.fcc.gov***. Then press the ENTER key. This will access the Universal Licensing System home page.

3. Click the **Online Filing** button.
4. On the ULS Online Filing screen, click **Log into ULS Online Filing System** to select it, then click the **Continue** button.
5. On the login screen, type your Taxpayer Identification Number (TIN) in the login field.
6. In the *Password* field, type the password you selected during TIN registration.

This field is case sensitive; be sure to type the password exactly as you specified it when you registered with the FCC. For example, if you registered with the password *PASSWD*, do not type *passwd*.

7. Click the **Continue** button.

If you entered an incorrect TIN and/or password, an error message appears. You must then type the correct information and click **Continue** again. (If you have not yet registered your TIN with the FCC, you must do so before filing.)

8. After you have entered your TIN and password correctly, one of the following screens appears:
  - C If you have completed applications filed this business day or existing incomplete applications, an intermediate screen appears listing these applications. You may finish an incomplete application or modify a completed application by clicking on it. Once the application is opened, follow the basic guidelines for filing provided below. To create a new application to submit, click the **Select New Filing**.
  - C If you do not have existing incomplete applications or completed applications filed this business day, a screen appears requesting you to select an application purpose.
9. Click the down-arrow button at the end of the *Purpose of Application* field to obtain the drop-down menu, and click on the purpose of filing (e.g., New, Renewal Only, Modification, etc.)
10. Click the **Continue** button. The ULS screens will step you through the filing process specific to your purpose of application. Basic guidelines for filing each form are provided below.

*Click the ? (Help) button at any time for specific filing instructions for each application purpose.*

Basic Guidelines for Filing Form 601 Online:

- C Some of the data entry fields on the online application form may be pre-filled with information from the TIN registration process.
  - C The online application consists of data entry fields as well as "yes or no" questions. You must respond to all of the "yes or no" questions on the application. If you respond Yes to a question, you may be required to file an attachment explaining the specific circumstances (see form for specific instructions).
  - C An **Attachments** button is provided for uploading attachment files. You are responsible for filing all required attachments.
  - C If you have entered any incomplete or erroneous information, an Errors screen lists the errors. Click **Return**, make your corrections, then click **Continue** again. You can **Save** your application and complete it at a later date, if necessary. Saved applications must be completed within 30 days.
  - C Prior to submitting an application, you may click the **Print Preview** button (where available) to create a preview of your completed application.
11. When your application has been successfully submitted to the FCC, a confirmation message screen appears. This screens shows a file number for the application.
- Important:** Your application has not been successfully submitted to the FCC unless you have received a file number assigned by the Universal Licensing System.
12. To print a copy of the submitted application:
- a. Click the **Print Preview** button to see the formatted version of the application.  
  
Note that the file number is at the top of the form. If there is no file number present, this application has not been successfully submitted to the FCC.
  - b. Print the application by clicking your browser's **Print** button.
  - c. To return to the confirmation screen, click your browser's **Back** button.
13. From the confirmation screen, you can click the **Home** button to return to the ULS home page or the **Online Filing Menu** button if you wish to submit another application.

**Technical Support**

For technical assistance in registering or filing FCC Form 601 electronically, contact the FCC Technical Support Hotline at (202) 414-1250 (voice), (202) 414-1255 (TTY). The FCC Technical Support Hotline generally will be available Monday through Friday, from 8 a.m. to 6 p.m. ET. *All calls to the FCC Technical Support Hotline are recorded.*

### **Troubleshooting**

Following are problems you may encounter and possible solutions for resolving or isolating them.

#### ***Modem does not respond***

1. Confirm that all physical connections for the modem are present.
2. Confirm that the phone line is active by connecting it to a telephone and checking for a dial-tone.
3. Confirm that the correct modem driver is installed for your modem.

#### ***Modem dials but does not connect***

1. Confirm that the number the modem is dialing is correct.
2. Confirm that the modem prefix, if any, is correct.

#### ***Modem dials and connects, but nothing appears when you enter the location in the Web browser***

1. Check the settings in your dial-up networking icon, particularly that the *Primary DNS* is *192.104.54.1* and that *TCP/IP* is the only selected protocol.
2. Confirm that your web browser is using no proxies.
3. If you do log into a TCP/IP LAN, confirm that your LAN network IP address is being released. To do so, connect to the FCC Network using dial-up networking, then click the **Start** button in Windows 95/98 and select **Run**. Type *winipcfg* and press **OK**. If your IP address does not begin with "192.104.", then your LAN IP address is not being released. Click the **Release All** button, or consult you LAN administrator.

*Receive an Internal Server error in the Web browser*

1. Confirm that the address entered in the location field is correct (<http://wtbwww05.fcc.gov>).
2. Confirm that *JavaScript* is enabled in your Web browser.

**Technical Support**

For technical assistance with installing or using FCC software, contact the FCC Technical Support Hotline at (202) 414-1250 (voice) or (202) 414-1255 (TTY). The FCC Technical Support Hotline is generally available Monday through Friday, from 8 a.m. to 6 p.m. ET. *All calls to the FCC Technical Support Hotline are recorded.*
